SUMMARY

Dedicated and adaptable aspiring Computer Engineer with strong communication, teamwork, and time management skills. Proficient in programming and data visualization tools, with a keen interest in applying technology to deliver impactful projects. Looking for an environment that challenges me to think critically, enhances my problem-solving abilities, and allows me to contribute effectively to innovative solutions.

PROJECTS

QR-Based Banking Transaction Management System

Technologies: HTML, CSS, JavaScript, Django, SQLite, QR Code Integration.

- Enabled cardless cash withdrawal using QR/UPI and PIN authentication.
- Implemented an 8-step ATM transaction workflow.
- Designed a responsive interface simulating real ATM operations.

Multi-Language Code Translator – IDE Extension

Technologies: JavaScript, HTML, CSS, VS Code Extension API.

- Translated code between multiple programming languages.
- Provided a simple and developer-friendly interface.
- Improved code portability and development efficiency.

Smart Academic Overload & Wellbeing Predictor

Technologies: Python, Pandas, Scikit-learn, Linear Regression, HTML, CSS.

- Predicted academic burnout risk based on user inputs.
- Generated personalized 7-day study plans.
- Forecasted stress levels using stored data trends.

TECHNICAL SKILLS

- Java
- Python
- HTML
- CSS
- Data Preprocessing
- SQL

INTERNSHIP

Mind View Tech

Jun 2025 – Jul 2025

Full Stack Web Development Intern

Developed a responsive portfolio website and gained practical experience in front-end and back-end development while working on various stages of the software development lifecycle.

Eduphoenix Pvt. Ltd.

Jun 2024 – Jul 2024

Web Development Intern

Developed static websites using HTML and CSS, strengthening skills in web structure, semantic HTML, and responsive design.

CERTIFICATIONS

- **NPTEL – Programming in Java (Elite + Gold, 88%):** Certified in Java programming and object-oriented concepts.
- **Forage – Deloitte (Technology, Cyber Security):** Completed industry-based technology and cybersecurity simulations.
- **Infosys Springboard – Python, Full Stack, Java, Data Science, IoT Foundation:** Certified in programming, web development, data science, and IoT fundamentals.

AREA OF INTEREST

- Web Development, with a focus on creating efficient and user-friendly applications.
- Data Analytics, focusing on studying data to find useful patterns and trends.

SOFT SKILLS

- Good Communication
- Adaptability
- Teamwork
- Time Management
- Self Confidence
- Positive Attitude

EDUCATION

2023 – 2027	V.S.B Engineering College, Karur Pursuing Bachelor of Engineering in Computer and Communication Engineering (2023–2027), with a CGPA of 8.8 on a scale of 10 up to the 5th semester.
2022 – 2023	Alpha Wisdom Vidyashram, Tiruchirapalli Graduated Higher Secondary (2022–2023) with an aggregate of 80.6%.
2020 – 2021	Alpha Wisdom Vidyashram, Tiruchirapalli Completed Secondary School Leaving Certificate (SSLC) in 2020–2021, securing 95.4%.
